

CYBERCRIMES (PROHIBITION, PREVENTION, ETC) ACT, 2015

Explanatory Memorandum

The Act provides an effective, unified and comprehensive legal, regulatory and institutional framework for the prohibition, prevention, detection, prosecution and punishment of cybercrimes in Nigeria. This act also ensures the protection of critical national information infrastructure, and promotes cybersecurity and the protection of computer systems and networks, electronic communications, data and computer programs, intellectual property and privacy rights.

CYBERCRIMES (PROHIBITION, PREVENTION, ETC) ACT, 2015

Arrangement of Sections

Section:

PART I-OBJECT AND APPLICATION

1. Objectives.
2. Application.

PART II - PROTECTION OF CRITICAL NATIONAL INFORMATION INFRASTRUCTURE

3. Designation of certain computer systems or networks as critical national information infrastructure.
4. Audit and Inspection of critical national information infrastructure.

PART III - OFFENCES AND PENALTIES

5. Offences against critical national information infrastructure.
6. Unlawful access to a computer.
7. Registration of cybercafé.
8. System interference.
9. Interception of electronic messages, email, electronic money transfers.
10. Tampering with critical infrastructure.
11. Willful misdirection of electronic messages.
12. Unlawful interceptions.
13. Computer related forgery.
14. Computer related fraud.
15. Theft of Electronic Devices.
16. Unauthorised modification of computer systems, network data and system interference.
17. Electronic Signature.
18. Cyber terrorism.
19. Exceptions to financial institutions posting and authorised options.
20. Fraudulent issuance of e-instructions.
21. Reporting of cyber threats.

22. Identity theft and impersonation.
23. Child pornography and related offences.
24. Cyberstalking.
25. Cybersquatting.
26. Racist and xenophobic offences.
27. Attempt, conspiracy, aiding and abetting.
28. Importation and fabrication of e-tools.
29. Breach of confidence by service providers.
30. Manipulation of ATM/POS Terminals.
31. Employees Responsibility.
32. Phishing, spamming, spreading of computer virus,
33. Electronic cards related fraud.
34. Dealing in card of another.
35. Purchase or sale of card of another.
36. Use of fraudulent device or attached e-mails and websites.

PART IV-DUTIES OF FINANCIAL INSTITUTIONS

37. Duties of financial institutions.
38. Records retention and protection of data.
39. Interception of electronic communications.
- 40.. Failure of service provider to perform certain duties.

PART V-ADMINISTRATION AND ENFORCEMENT

41. Co-ordination and enforcement.
42. Establishment of Cybercrime Advisory Council.
43. Functions and powers of the Council.
44. Establishment of National Cyber Security Fund.

PART VI-ARREST, SEARCH, SEIZURE AND PROSECUTION

45. Power of arrest, search and seizure
46. Obstruction and refusal to release information.
47. Prosecution of offences.

48. Order of forfeiture of assets.

49. Order for payment of compensation or restitution.

PART VII-JURISDICTION AND INTERNATIONAL CO-OPERATION

50. Jurisdiction.

51. Extradition.

52. Request for mutual assistance

53. Evidence pursuant to a request.

54. Form of request from a foreign state.

55. Expedited Preservation of computer data.

56. Designation of contact point.

PART VIII - MISCELLANEOUS

57. Regulations.

58. Interpretations.

59. Citation.

SCHEDULES

CYBERCRIMES (PROHIBITION, PREVENTION, ETC) ACT, 2015

A Bill

For

An act to provide for the prohibition, prevention, detection, response, investigation and prosecution of cybercrimes; and for other related matters, 2015.

} Commencement.
}

ENACTED by the National Assembly of the Federal Republic of Nigeria as follows:

PART I - OBJECT AND APPLICATION

1. The objectives of this Act are to – Objectives.

(a) provide an effective and unified legal, regulatory and institutional framework for the prohibition, prevention, detection, prosecution and punishment of cybercrimes in Nigeria;

(b) ensure the protection of critical national information infrastructure; and

(c) promote cyber security and the protection of computer systems and networks, electronic communications, data and computer programs, intellectual property and privacy rights.

2. The provisions of this Act shall apply throughout the Federal Republic of Nigeria. Application.

PART II - PROTECTION OF CRITICAL NATIONAL INFORMATION INFRASTRUCTURE

3. (1) The President may on the recommendation of the National Security Adviser, by Order published in the Federal Gazette, designate certain computer systems, and/or networks, whether physical or virtual, and/or the computer programs, computer data and/or traffic data vital to this country that the incapacity or destruction of or interference with such system and assets would have a debilitating impact on security, national or economic security, national public health and safety, or any combination of those matters as constituting Critical National Information Infrastructure. Designation of certain computer systems or networks as critical national information infrastructure.

(2) The Presidential Order made under subsection (1) of this section may prescribe minimum standards, guidelines, rules or procedure in respect of -

(a) the protection or preservation of critical information infrastructure;

(b) the general management of critical information infrastructure;

(c) access to, transfer and control of data in any critical information infrastructure;

(d) infrastructural or procedural rules and requirements for securing the integrity and authenticity of data or information contained in any designated critical national information infrastructure;

(e) the storage or archiving of data or information designated as critical national information infrastructure;

(f) recovery plans in the event of disaster, breach or loss of the critical national information infrastructure or any part of it; and

(g) any other matter required for the adequate protection, management and control of data and other resources in any critical national information infrastructure.

4. The Presidential Order made under section 3 of this Act may require the Office of the National Security Adviser to audit and inspect any Critical National Information Infrastructure at any time to ensure compliance with the provisions of this Act.

Audit and Inspection of critical national information infrastructure.

PART III - OFFENCES AND PENALTIES

5. (1) Any person who with intent, commits any offence punishable under this Act against any critical national information infrastructure, designated pursuant to section 3 of this Act, shall be liable on conviction to imprisonment for a term of not more than 10 years without an option of fine.

Offences against critical national information infrastructure.

(2) Where the offence committed under subsection (1) of this section results in grievous bodily harm to any person, the offender shall be liable on conviction to imprisonment for a term of not more than 15 years without option of fine.

- (2) The joint investigation or cooperation referred to in sub-section (1) may be carried out whether or not any bilateral or multilateral agreements exist between Nigeria and the requested or requesting country.
- (3) The Attorney-General of the Federation may, without prior request, forward to a competent authority of a foreign State, information obtained in the course of investigation, if such information will assist in the investigation of an offence or in the apprehension of an offender under this Act.
53. (1) Any evidence gathered, pursuant to a request under this Act, in any investigation or proceedings in the court of any foreign State, if authenticated, shall be *prima facie* admissible in any proceedings to which this Act applies. Evidence pursuant to a request.
- (2) For the purpose of subsection (1) of this section, evidence is authenticated if it is -
- (a) certified by a Judge or Magistrate or Notary Public of the foreign State; or
- (b) sworn to under oath or affirmation of a witness or sealed with an official or public seal -
- (i) of a Ministry or Department of the Government of the foreign State; or
- (ii) in the case of a territory, protectorate or colony, of the person administering the Government of the foreign territory, protectorate or colony or a department of that territory, protectorate or colony.
54. (1) A request under this Act shall be in writing, dated and signed by or on behalf of the Form of request from a foreign

person making the request.

state.

(2) A request may be transmitted by facsimile or by any other electronic device or means; and shall include the following-

(a) the name of the authority conducting the investigation, prosecution or proceedings to which the request relates;

(b) a description of the subject matter and nature of the investigation, prosecution, or proceedings, including the specific crimes which relate to the matter, the stage reached in the proceedings and any dates for further proceedings;

(c) a description of the evidence, information or other assistance sought; and (d) a statement of the purpose for which the evidence, information or other assistance is sought.

(3) To the extent necessary and possible, a request shall also include the following-

(a) information on the identity and location of any person from whom evidence is sought;

(b) information on the identity and location of a person to be served, that person's relationship to the investigation, prosecution or proceedings, and the manner in which service is to be effected;

(c) information on the identity and whereabouts of the person to be located;

(d) a precise description of the place or person to be searched and of the articles to be seized;

(e) description of the manner in which any testimony or statement is to be taken and recorded, including any special requirements of the law of the Requesting State as to the manner of taking evidence relevant to its admissibility in that State;

(f) list of questions to be asked of a witness;

(g) description of any particular procedure to be followed in executing the request;

(h) information as to the allowances and expenses to which a person asked to in the requesting State in connection with the request will be entitled;

(i) court order, if any, or a certified copy thereof, which is to be enforced and a statement that such order is final; and

(j) any other information which may be brought to the attention of the Requested State to facilitate its execution of the request.

(4) A request shall not be invalidated for the purposes of this Act or any legal proceedings by failure to comply with the provision of subsection (2) of this section where the Attorney-General of the Federation is satisfied that there is sufficient compliance to enable him execute the request.

(5) Where the Attorney-General of the Federation considers it appropriate because an international arrangement so requires or it is in the public interest, he shall order that the whole or any part of any property forfeited under this Act or the value thereof, be returned or remitted to the requesting State.

55. (1) Nigeria may be requested to expedite the preservation of electronic device or data stored in a computer system, or network, referring to crimes described under this Act or any other enactment, pursuant to the submission of a request for assistance for search, seizure and disclosure of those data.

Expedited
Preservation of
computer data.

(2) The request under subsection (1) of this section shall specify -

(a) the authority requesting the preservation or disclosure;

(b) the offence being investigated or prosecuted, as well as a brief statement of the facts relating thereto;

(c) the electronic device or computer data to be retained and its relation to the offence;

(d) all the available information to identify the person responsible for the electronic device or data or the location of the computer system;

(e) the necessity of the measure of preservation, and

(f) the intention to submit a request for assistance for search, seizure and disclosure of the data.

(3) In executing the demand of a foreign authority under the preceding sections, the Attorney - General of the Federation may order any person who has the control or availability of such data, including a service provider, to preserve them or turn them in for proper preservation by an appropriate authority or person.

(4) Without prejudice to the provisions of subsection (3) of this section, the preservation may also be requested by any law enforcement agency, with responsibility for enforcing any provisions of this Act, pursuant to an order of court, which order may be obtained ex parte where there is urgency or danger in delay.

(5) Where a court grants an order, pursuant to the provisions of subsection (4) of this section, such order shall indicate -

(a) the nature of the evidence;

(b) their origin and destination, if known; and

(c) the period of time which shall not exceed 90 days over which data must be preserved.

(6) In compliance with the preservation order, any person who has the control or availability of such data, including a service provider, shall immediately preserve the data for the specified period of time, protecting and maintaining its integrity.

(7) A request for expedited preservation of electronic evidence or data may be refused if, there are reasonable grounds to believe that the execution of a request for legal assistance for subsequent search, seizure and release of such data would be denied.

56. (1) In order to provide immediate assistance for the purpose of international cooperation under this Act, the Office of the National Security Adviser shall designate and maintain a contact point that shall be available twenty-four hours a day and seven days a week. Designation of contact point.

(2) This contact point can be reached by other contact points in accordance with agreements, treaties or conventions by which Nigeria is bound, or in pursuance of protocols of cooperation with international judicial or law enforcement agencies.

(3) The immediate assistance to be provided by the contact point shall include -

(a) technical advice to other points of contact;

(b) expeditious preservation of evidence in cases of urgency or danger in delay;

(c) collection of evidence for which it has the legal jurisdiction in cases of urgency or danger in delay;

(d) detection of suspects and provision of legal information in cases of urgency or danger in delay;

(e) the immediate transmission of requests concerning the measures referred to in paragraphs (b) and (d) of subsection (3) of this section, with a view to its expedited implementation.

PART VIII—MISCELLANEOUS

57. (1) The Attorney General of the Federation may make orders, rules, guidelines or regulations as are necessary for the efficient implementation of the provisions of this Act. Regulations.

(2) Orders, rules, guidelines or regulations made under subsection (1) of this section may provide for the -

- (a) method of custody of video and other electronic recordings of suspects apprehended under this Act;
- (b) method of compliance with regulations or conventions issued by relevant international institutions on cyber security and cybercrimes;
- (c) procedure for freezing, unfreezing and providing access to frozen funds or other assets;
- (d) procedure for attachments, forfeiture and disposal of assets,
- (e) mutual legal assistance,
- (f) procedure for the prosecution of all cybercrime cases in line with national and international human rights standards;
- (g) procedure for ensuring prompt payment of any levy prescribed under this Bill, including penalties and prosecution; and
- (h) any other matter the Attorney General may consider necessary or expedient for the purpose of the implementation of this Act.

58. In this Act –
